## FranSpeak International - March 2011

---

February was really busy, with our trips to the IFA Convention in Las Vegas and Gulfood in Dubai. We met existing and new customers and friends in Vegas, and organised a workshop about international franchising at Gulfood with over 75 attendees. We'll send a more detailed report later in the month.

World Franchise Associates specializes in multi-unit international franchise development at area, master and country level. Key markets are West, Central & East Europe and the Middle East.

Our [www.worldfranchisecentre.com](http://www.worldfranchisecentre.com) portal is the only website totally dedicated to international development at country and regional levels.

With kind regards,

Paul Cairnie, CEO

Christopher Brinkley, COO
